Where: R9SF-VTCRoom-18122-18-White Mountain

Hi Dena,
Just checking in about this. Amy asked me to put together this meeting to respond to a question from Congresswoman Lois Capp's office. Amy would like to have us talk about the rule/court case, current monitoring data, and citizen response. Would you be able to update your info you provided on the current monitoring status (values, status of network assessment) for our last go around?

Thanks,
Nancy
